

# ArtVenture SUMMER CAMP

at VisArts

JUNE 17–AUGUST 30, 2019

  
VISUAL ARTS CENTER  
OF RICHMOND

## About ArtVenture

At the Visual Arts Center of Richmond, kids make art with the help of some of Richmond's most prominent professional artists.

One-week sessions, for kids aged 5 to 14 years old, run from June 17 to August 30. Build a summer schedule that works for you! Morning classes are from 9 a.m. to 12 p.m. and afternoon classes are from 1 to 4 p.m.

Kids can be dropped off for morning classes beginning at 8:30 a.m. and for afternoon classes beginning at 12:30 p.m. All children should be picked up promptly, unless they're enrolled in our extended day program.

All ArtVenture Summer Camp classes cost \$155. VisArts family membership holders enjoy 10 percent off tuition.

Do you have a high school-aged child who loves art? Teens ages 15 to 18 should consider Art League, which runs on summer evenings and weekends. Art League classes will be released with our regular summer catalog, which comes out on April 10.

VisArts invites local teens to volunteer as ArtVenture teaching assistants. Each teen is paired with a teaching artist and helps out in the studio. There are opportunities to volunteer for one week or the entire summer. Learn more and apply at [visarts.org](http://visarts.org).

### EXTENDED DAY PROGRAM

Can't make it to VisArts by 4 p.m.? Purchase our extended day add-on for just \$50 and pick up any time before 5:30 p.m. Sign up for a week of both morning and afternoon classes and your child can bring a lunch and eat at VisArts during a supervised lunch hour, free of charge.

GREAT FOR WORKING FAMILIES!

## About VisArts

The Visual Arts Center of Richmond (VisArts) has helped adults and children explore their creativity and make art since 1963. Each year, the organization touches the lives of more than 40,000 people through its classes, exhibitions, community outreach programs, camps, workshops and special events.

Founded in Church Hill as the Hand Workshop, the organization moved to the historic Virginia Dairy building at 1812 West Main Street, where it leased space for 17 years before purchasing and later renovating the building. Completed in 2007, the renovation transformed the facility into an inviting and inspiring 30,000-square-foot arts center, which includes the 1,800-square-foot True F. Luck Gallery. The gallery's focus is on materials and processes of contemporary artists.

Each year, VisArts offers more than 1,000 visual and creative arts classes in clay, wood, fiber, painting, photography, printmaking, glass, metal, drawing, writing, decorative arts and other visual media. More than 150 instructors teach for the organization. The Visual Arts Center of Richmond is generously supported by CultureWorks, the National Endowment for the Arts and the Virginia Commission for the Arts.

## Buy a Family Membership

If you're registering for multiple classes this summer, it pays to buy a family membership to VisArts. Family memberships cost \$100 and come with the following household benefits:

- Early class registration
- 10 percent off tuition
- 10 percent off corporate team-building programs
- 10 percent off birthday parties
- Access to VisArts' Community Studio Rental Program
- Invitations to exhibition openings
- Two free general admission tickets to Craft + Design (Nov. 15-17, 2019 at Main Street Station)
- Discounted tickets to other special events

## Tuition Assistance

At VisArts, it's part of our mission to ensure people of all backgrounds, ages and skill levels can explore the visual arts and live creative lives. While we do our best to keep our classes affordable and priced competitively, we understand that they are still out of reach for some families in our community.

We offer tuition assistance so that families can afford summer art classes for their children. Tuition assistance can reduce the cost of camp by 30 to 90 percent, depending on the family's income. To apply for tuition assistance, go to [visarts.org](http://visarts.org).
