About Art Venture

One-week sessions, for students aged 5 to 14 years old, run for 12 weeks from June 15 to September 4.

Build a summer schedule that works for you! Morning classes are from 9 a.m. to 12 p.m. and afternoon classes are from 1 to 4 p.m.

Each Friday, we host an art show during the last 15 minutes of morning and afternoon classes to celebrate the work created throughout the week. We encourage parents, guardians and friends to attend.

Students can be dropped off for morning classes beginning at 8:30 a.m. and for afternoon classes beginning at 12:30 p.m. All students should be picked up promptly, unless they're enrolled in our extended day program.

VisArts has a drop-off line for parents and guardians at the back entrance from Tuesday through Friday of each week and students can sign themselves

All ArtVenture Summer Camp classes cost \$155. VisArts family membership holders enjoy 10% off tuition.

When you register for class, you'll have the option to purchase a special camp t-shirt for \$10. Each summer, one of our talented teachers creates a special design that students can screen print themselves during lunch on Thursdays. Ten dollars pays for the shirt and ink, which we provide. Pay \$5 and bring your own

TEEN VOLUNTEERS + ART LEAGUE

VisArts invites teens ages 14 and older to volunteer as ArtVenture teaching assistants. Each teen is paired with a teaching artist and helps out in the studio. There are opportunities to volunteer for one week or the entire summer. Learn more and apply at

Do you have a high school-aged child who loves art? Teens ages 15 to 18 should consider Art League. which runs on summer evenings and weekends. Art League classes will be released with our regular summer catalog, which comes out on April 8.

About VisArts

The Visual Arts Center of Richmond (VisArts) has helped adults and children explore their creativity and make art since 1963. Each year, the organization touches the lives of more than 45,000 people through its classes, exhibitions, community outreach programs, camps, workshops and special events.

Founded in Church Hill as the Hand Workshop, the organization moved to the historic Virginia Dairy building at 1812 West Main Street, where it leased space for 17 years before purchasing and later renovating the building. Completed in 2007, the renovation transformed the facility into an inviting and inspiring 30,000-square-foot arts center, which includes the 1,800-square-foot True F. Luck Gallery. The gallery's focus is on materials and processes of contemporary

Each year, VisArts offers more than 1,000 visual and creative arts classes in clay, wood, fiber, painting, photography, printmaking, glass, metal, drawing, writing, decorative arts and other visual media. More than 200 instructors teach for the organization. The Visual Arts Center of Richmond is generously supported by CultureWorks, the National Endowment for the Arts and the Virginia Commission for the Arts.

While we do our best to keep our classes affordable and priced competitively, we understand that they are still out of reach for some families in our community.

We offer tuition assistance so that families can afford summer art classes for their children. Tuition assistance can reduce the cost of camp by 30%-90%, depending on the family's income. To apply for tuition assistance, go to visarts.org.

ArtVenture is open to 5-year-olds! In Art Explorers classes, 5 and 6-year-old campers create an eclectic variety of artwork using clay, wire, fabric, paint and more. Each class is led by two teachers, and participants benefit from extra kid-friendly work spaces and plenty of breaks. Each session includes different projects, so students can sign up for multiple classes.
