As a response to COVID-19, VisArts is offering an online course catalog of community partnership classes for the first time ever! All community partnerships classes are offered to our partners for free. All materials are supplied by VisArts and will be dropped off to students before the first day of class. In order to participate, you must have a computer, smartphone or tablet with an internet connection. All classes will be taught using Zoom, a remote video conferencing service.

- **Writing the Memoir**  
  Doug Jones  
  Thomas Larson writes that “memoir is most successful when it is not the ‘story of a life,’ but a focused part of that life—a dozen summers spent working on a grandfather’s farm; a long relationship with a dying relative; the first year of law school.” Students will explore and focus on the most meaningful and memorable parts of their lives. The instructor will guide students with specific prompts, timed writing and constructive feedback.  
  **5 Thursdays: 5/7-6/4, 10 a.m.-12 p.m.**
